

What Next? You might feel motivated to act, as do many people leave the screening, What can we do?

Here's some actions to begin with

1. Follow the ideas on the Emergency Briefing website
<https://www.nebriefing.org/take-action>
2. Write to your MPs at: House of Commons, London SW1A 0AA or email using one or both of the addresses to be found on the Directory of MPs to ask them to support the call for a televised government briefing. Don't forget to include your name and address to ensure a reply
<https://members.parliament.uk/members/Commons>
3. Sign the Parliamentary Petition for a UK-wide briefing on climate and nature risks
<https://petition.parliament.uk/petitions/767687>
4. Help more people to see the screening by asking organisations or employers you are connected with to host a screening and giving them the link to hosting information <https://www.nebriefing.org/host-the-film>
5. Tell friends & family about the next local screenings at the Great Green Barn <https://www.tickettailor.com/events/greatgreenbarn/2421309>
6. Get to know and use and volunteer at Cranleigh Repair Café -
